EC Certificate and Declaration of Conformity for CE Marking

This declaration is to certify that Liberty Merchant Bar plc, Liberty House, PO Box 15, Scunthorpe, North Lincolnshire, DN16 1XL manufactures merchant bar, on the Scunthorpe site, in accordance with the requirements of the Construction Products Regulation 305/2011/EU of the European Parliament and of the Council of March 2011.

Liberty Merchant Bar manufactures flats, angles, squares, rounds, serrated flats, half round flats, channels and I beams, as hot rolled structural steel products in the as-rolled condition, suitable for building construction or civil engineering.

The CE mark is endorsed on the Certificate of Test, which accompanies each delivery of product, and on the label of each individual bundle. The certificate and label include the bundle number, the cast number and the size and quality of the product, as well as the CE mark with the LRV Notified Body Number 2814 underneath.

The product conforms to the provisions of Annex ZA of EN 10025-1:2004.

The number of the accompanying factory production control certificate, issued by Lloyd's Register Verification B.V., K.P. van der Mandelelaan 41A, Rotterdam, Netherlands, is 2814/CPR/20060002/A.
